Campaign Donor List

The comprehensive Never Settle: A Campaign for Kids will enable Children's Healthcare of Atlanta to expand our capabilities and resources, providing greater options and delivering even better care. Children's appreciates the many generous donors that share our values and have chosen to join us in our fight to never settle. Their involvement through financial contributions is vital to our patients, families and our community, as Children's relies on that support to enhance the lives of children – now and for generations to come. Below is a list of Individual and Foundation donors who have donated or provided a legacy commitment to Children's Healthcare of Atlanta's Never Settle Campaign starting at \$100,000 January 1, 2019 through August 31, 2021. Donors who have generously given more than \$1,000,000 can be viewed at <https://www.choa.org/give/giving/individual-and-foundation>.

We have made every effort to ensure the accuracy of the listing. If you find an error, please accept our apology and alert us by reaching Caroline Qualls, Campaign Senior Program Coordinator, at 404-785-7351 or caroline.qualls@choa.org.
