

April is Child Abuse Prevention Month

Every child deserves to grow up feeling safe and loved.

The Stephanie V. Blank Center for Safe and Healthy Children at Children's Healthcare of Atlanta, is a child advocacy center dedicated to promoting the safety, protection and well-being of all kids.

Learn about the Blank Center's free, live and on-demand training and resources for healthcare professionals, parents and educators at [Strong4Life.com/child-protection](https://www.strong4life.com/child-protection).
